- Staff will call a parent to pick up a child who has been crying uncontrollably or displaying poor behavior for 30 minutes. If you are dropping off to attend an appointment that can't be interrupted (job interview, Dr. visit, etc.), you must arrange for another person to be available in the event the child needs to be picked up.
- \*Please stay within **15 minutes** of Bizi Kidz in case we need to call you for pickup.

## **SICK POLICY**

- \*If your child is too sick for school, they may not attend Bizi Kidz that day. If your child displays the following symptoms, we cannot keep them:

We do have a thermometer scanner & will call for a child to be picked up with a fever of 100 or higher, or for any symptoms listed above.
